This is something which we people always look for, hahaha. Discounts! Discounts! Discounts! Not only on bulk purchases, even at single units. I intended to buy an aloe vera gel, at listed price of INR 81. But what made me surprised was that I was getting discount on even this much. Then, I noticed, we can have more discounts after purchase of INR 300, 700 and 1500. Wooh! That took me to the rainbow and I placed an initial order of 500. Another best thing before me!
